SCENE 1

NARRATOR

Enter Evie

Once upon a time in the distant land of Sinclair there was a devious little yellow duck named Evie. Evie loved to eat skittles. One day she ate so many skittles she lost her way in the forest. She was lost for so long she set up camp in a cave. She became bored and lonely by herself, so she mastered a plan.

EVIE

I will find new friends and I will have them live with me in this cave.

Exit Evie

NARRATOR

And so Evie found the perfect spot to set out her Skittles to try and find friends as they passed by.

Enter Helen as Helen

NARRATOR

The next day, a little girl named Helen was playing in the forest. She had gotten so excited she had lost her way. She was starting to feel hungry and came across the Skittles Evie had placed out.

HELEN

Oh my goodness. Skittles! I LOVE Skittles.

Enter Evie

EVIE

Hello!

HELEN

Hi!

EVIE

I am Evie. What is your name?

HELEN

My name is Helen. Do you live here?

EVIE

Yes. Would you like to come into my cave?

HELEN

Oh I don't know. I am really not supposed to go to stranger's homes.

EVIE

But I am Evie.

NARRATOR

And Helen walked away.... Evie was very sad.

Helen and Evie Exit

SCENE 2

NARRATOR

Enter unicorn

Back in the magical village of Sinclair where Evie was from, a little unicorn was trying to learn to control her powers in her hands. Every time she touched something it would freeze. So she asked her mommy to help her, but her mommy was so sleepy from working on the kings magic that all she could do was sleep and not help the Unicorn Glenda. So, Glenda decided to visit the Master Jaadoogar.

Enter Vir Jaadoogar

VIR

Can I help you?

GLENDA

It's my hands. Everytime I touch anything I freeze whatever I touch.

VIR

Here...

He pulls out a pair of gloves or gets them from offstage & gives them to her

These should help.

Glenda Puts on gloves

GLENDA

Wow!!! These really work. I can touch everything and nothing freezes. Thank you, Mr. Vir Jaadoogar. See you later.

VIR

Be careful. Don't go that way. There is danger... that way.

Exit Vir and Glenda

NARRATOR

So Glenda decided to go gallop on a walk. Off she went.

SCENE 3

NARRATOR

Meanwhile, in the east end of Sinclair, there was a police officer Perry that was going broke and an Army man named GI James. Both were looking for a better life.

PERRY

Hey there. How are you today?

GI JAMES

I am good. I just really need some new armor. My stuff is falling apart.

PERRY

I would help you out if I had any money but I only have \$100.

GI JAMES

You know, I heard about this cave in the land of Houston where they have all kinds of special gems and jewels. Maybe we can find a diamond worth I don't know like \$300 and sell it.

PERRY

You mean like become miners?

GI JAMES

Well, we are minors until we are adults but yeah. We just have to figure out the lasers that surround the mine.

PERRY

No Problem... I have a tech back ground. I studied on YouTube.

GI JAMES

Great...

Exit Perry and GI JAMES

Enter Penny followed by Caroline

NARRATOR

So, they set out on their quest to find the biggest diamond in Houston. Just down the street from the police men was a young girl named Penny. Penny was always having bad luck. In fact, her luck was so bad, they called her penny bad bottoms. One day she had a most deplorable experience when her petticoat flipped up revealing her 1970's under roos in class. She decided to not return to school until her luck changed. She had been searching for a while when...

PENNY

I will not go back to school until I find a penny heads up...

She searches for pennies. Caroline sees her

Find a penny heads up and all day long you will have good luck...

CAROLINE

Hello... what are you doing?

PENNY

Looking for pennies.

CAROLINE

Why? Are you trying to buy something?

PENNY

With a penny?! Are you joking? No, Pennies are for good luck and I have the worst luck ever.

CAROLINE

Well maybe we can go on an unlucky adventure together.

PENNY

Where is your mom and dad?

CAROLINE

I ran away. Not in a bad way ran away. I am on a quest.

She pulls out a scroll

PENNY

What kind of quest?

CAROLINE

Hmmm... Let's see. I am looking for a unicorn, an ancient cat, a wizard, feather from a yellow duck, and a magical waterfall. Do you want to join me?

PENNY

Ohhh. I don't know. I may bring you bad luck.

CAROLINE

Don't be silly. It will be fun!

PENNY

Well... OK.

They exit

SCENE 4

Enter Ellie

NARRATOR

And so off went Penny with Caroline on a new adventure. Meanwhile, there was an Ancient Sparkle Cat that was of the Egyptian pyramids. She had the most amazing purr and ... she was the last of her kind. Her name was Elie. She, like the duck Evie felt quite alone in the world.

ELLIE

Oh.. I am so sad. I want to bring back my ancient sparkle cats to reign in the glitter land of Tex. If only my wish could be granted.

Enter Vir

NARRATOR

In that moment, magic happened and the Jaadoogar Vir appeared.

VIR

Did I hear you are looking for your ancients?

ELLIE

Hello. Yes, I want to find a glitter land with my ancient sparkle cats.

VIR

Go the river bed in the nearby forest and find the maiden Princess Niya that controls the water. She can guide you on your journey.

Ellie and Vir exit

SCENE 5

NARRATOR

And so, Vir guided the Ancient Sparkle Cat to her quest.

Back in the forest by the cave the little yellow duck was getting very frustrated. So frustrated she was starting to molt her feathers.

EVIE

When will someone come and play with me, slide down my rainbow, and live in my cave. I will capture the next passerby.

Evie exits

SCENE 6

NARRATOR

Meanwhile, the little Unicorn Glenda was enjoying her walk and her

gloves which kept her from freezing everything. She came upon the river bed and saw a young Maiden princess Niya.

GLEENDA

Hello.

NIYA

Hello Glenda.

GLEENDA

How do you know my name?

NIYA

I know everyone's name. I just do not know the password to get across the river to the waterfall. It is supposed to be on one of these trees in a geocache.

GLEENDA

What is a Geocache?

NIYA

A Geocache is the thing before we had Pokemon Go with stuff.

Perry and GI James enter

NARRATOR

Just then officer Perry and GI James appeared in the forest. They were shocked to see a girl and unicorn wondering the forest...by themselves.

GI JAMES

Is that what I think it is?

PERRY

Ewww a girl.

GI JAMES

No, the Unicorn!

Enter Caroline and Penny

NARRATOR

When suddenly, Penny and Caroline appeared in the forest.

CAROLINE & PENNY

Hello.

GI JAMES, PERRY, GLEENDA, NIYA

Hello!

NIYA

What brings you to the forest?

CAROLINE

We are on a quest to find a waterfall. ***(sees it in aww)*** There it is!!!

NIYA

You cannot get to it though. There are leeches in the water. We need the password to part the river.

GI JAMES

I am very good at Geocaching and finding clues.

PERRY

Me too! I bet it is in the wide open.

GLEND A

If only we had some sort of clue.

Enter Vir

NARRATOR

Just then like magic Vir appeared.

VIR

I understand you are seeking a clue. But what you seek is right before you.

He gestures to in front of Penny

PENNY

It is a Penny.... AND IT IS HEADS UP!!!

She and Caroline jump up and down

But I don't get it. What is the password?

NIYA

It is a series of 4 numbers. Right there. 1970.

PENNY

1970?! Like my under roos?

PERRY

It must be your lucky day.

NARRATOR

Just then the river parted and they were able to go to the waterfall. One part of their adventure had come to a close BUT.. a little sparkle cat was about to find herself in a very dim situation.

All exit

SCENE 6

NARRATOR

In the forest by the cave, the little sparkle cat Ellie was getting sleepy. She was also cold and hungry. She went to find shelter in the cozy cave when...

EVIE

At last. You will be with me forever in my cave.

ELLIE

Who are you? Are you Niya?

EVIE

I am Evie the yellow duck and you will never leave my side.

Evil laugh

ELLIE

I am just trying to find my ancient family. Vir told me to look for Niya. What do you mean I will never leave?

EVIE

I mean you will never leave. The last person that left did not come back so I am not letting you go. It is too lonely.

ELLIE

But I just want to go home.

EVIE

Too late!

ELLIE

Help!!!!

She cries out

SCENE 7

NARRATOR

In the neighboring trees Ellie’s cries were heard. Officer Perry was first to hear.

PERRY

What was that? Sounds like a screeching cat crying for help.

NIYA

That is because it is a screeching cat crying for help. That is my sister Ellie. We must go help her!

CAROLINE & PENNY

Let’s go!

They ALL Exit

SCENE 8

NARRATOR

In the cave, Evie was holding Ellie as a captive prisoner. Soon Officer Perry, GI James, Caroline, Penny, Glenda, Niya and Vir all appeared.

NIYA

Ellie? Ellie is that you?

ELLIE

Yes.

NIYA

Where are you?

ELLIE

I am over here.

VIR

Shame on you Evie. Why would you capture this innocent Ancient Cat Ellie?

CAROLINE

Wait... is that...?

CAROLINE & PENNY

The Ancient Sparkle Cat!!!

EVIE

Because I am all alone in the woods. I have nothing but this treasure I found.

Caroline and Penny see the duck

CAROLINE & PENNY

And the Yellow duck!!! Come here you cute little duckling.

EVIE

You think I am cute?

PENNY

You are the cutest duckling ever. You want some skittles?

CAROLINE

Penny, it must be your lucky day!

PERRY

Wait... where is the all this sparkling coming from?

GI JAMES

It appears we are on a mound of diamonds!!!!

VIR

You are... You are on the mound of carbon fed by the energy of the waterfall, nursed from the feathers of the yellow duck, with the magic of a unicorn, and an ancient sparkle cat.

PENNY

That is a lot of magic!

NIYA

Don't forget your magic wizard!

VIR

The magic is in the bond you share in working together. When you are united together is when the real Magic happens.

GLENDA

My Hands/hooves. They are not cold anymore!

PERRY

Hey did you see this golden egg over here?

GI JAMES

I found another one over here.

PERRY

With all these eggs we will have plenty of money.

GI JAMES

And we can buy all the armor we need...

CAROLINE, PENNY, & EVIE

And Skittles!

EVIE

And Skittle?

CAROLINE & HELEN

And Skittles!!!

NARRATOR

And so, everyone found everything they needed or really everyone they needed and they...

ALL

all lived happily ever after.

THE END!!!!
