Narrator: Long ago but not too far away in a little place once known as Fantasy Town lived magical creatures.

Twin Lions: (Stretch, yawn, and roar)

Narrator: In one part of town, two twin lions named Snowy and Snowball were waking up from their naps.

Snowy: (excited) What should we do today? Work on our powers?

Snowball: I was thinking, Snowy, that maybe we could work on a puzzle today.

Snowy: (Disappointed) You're joking right?

Snowball: (Excitedly) Of course I am! Gotcha! (shoots off a power but misses)

Narrator: Snowy and Snowball did what they did every day which was playing and working on their powers. Unfortunately, they never seemed to be getting any better with them.

Narrator: On the other side of Fantasy Town lived a witch named Elouise. She wasn't wicked but she was a very curious witch.

Elouise: (Holding her book) I want to learn all I can about this book of spells! Elly!? Elly? Where are you?

Ella: Bark! Bark!

Elouise: There you are girl! Oh, I forgot I learned a new talking spell. Let's see if it works! "One point of my finger and the mute will delete. One twist of my wrist and you will speak!"

Ella: Bark....I mean Hi! You did it!

Both: Yay!

Ella: Now, let's study this book!

Narrator: Now in a realm called The Elemental Realm lived two Ninjas! The White Ninja and The Green Ninja. These ninjas were masters at their crafts.

White Ninja: We truly are the best ninjas in this realm

Green Ninja: This is true!

White Ninja: You know.....it's getting kind of boring.

Green Ninja: Yeah we haven't had a mission in 10 years!

White Ninja: Do you think we will ever get another mission?

Green Ninja: I have no idea.

Narrator: Little did the best ninjas in the whole realm know. They were about to be thrown into the biggest mission of their lives! Elouise the curious witch has just stumbled upon a spell...

Elouise: Ella, I'm going to try this one!

Ella: The one with the big note that says Warning in bright red letters!?

Elouise: Yeah, it looks exciting!

Ella: I don't know.....

Elouise: Out with the good, bring on the bad. Out with the good, bring on the bad!

Narrator: The ground began to shake and the sky began to darken. Two very good tigers weren't very good anymore. They were evil.

Both Tigers: Roooaaarr,

Narrator: The Tigers went on a rampage! They knocked down trees, kicked in doors and they made their way to the Elouise's door.

Snowy: Let us in!!!

Snowball: Yeah! We just want to eat you...I mean play!

Ella & Elouise: Nooo, Go away!

Narrator: As Snowball and Snowy used their powers to try and enter the house the sky began to crack! Suddenly there was a merge! The Elemental Realm and Fantasy Town became one! The Green Ninja and the White Ninja were confused.

Green Ninja: What's going on!?

White Ninja: Where are we?

Narrator: The spell was so strong Snowball and Snowy didn't even notice the merge. Frustrated, they walked away to discuss a plan to break in. Quickly Elouise got the ninja's attention.

Elouise: Hey, If you don't want to be Tiger food you better hurry in!

Green Ninja: Where are we?

Elouise: You are in Fantasy Town. I'm Elouise. I'm a witch. This is my dog, Ella.

Ella: Hi!

White Ninja: Your dog can talk! How cool!

Ella: Thanks

Elouise: Okay enough talking, we need your help! You look like ninjas

Green Ninja: Yeah we are, the best ninjas in our realm!

White Ninja: Why were those tigers trying to eat you?

Narrator: Elouise and Ella explained everything to the ninjas but as soon as they finished the tigers were back!

Green Ninja: Oh no!

White Ninja: Okay, let me see the book of spells you used!

Elouise: Here

Narrator: The tigers grew more frustrated and more loud! They were starting to break in!

White Ninja: I think I got it!!

Ella: Great, tell us!

White Ninja: You said this spell “Out with the good and in with the bad” right!? I think the way to reverse the spell is toreverse the spell!

Green Ninja: I see, so say it in reverse!

Elouise: Genius!

Narrator: The White ninja began to give orders

White ninja: Green ninja use your force field to hold them when they come in.

Elouise: We will shut the door so they can't escape.

Snowball and Snowy: We are coming in!! We are hungry!!

Narrator: Snowy and Snowball burst into the house but they were met with a powerful force field!

White Ninja: Quick say the spell in reverse two times!

Everyone but the tigers: Out with the bad and in with the Good! Out with the bad and in with the good!

Narrators: Snowy and Snowball fell to the ground in exhaustion.

Snowy: What happened

Snowball: Where are we?

Elouise: It's a long story. How about we get you guys some warm milk and we will tell you all about it.

White Ninja: Well Green Ninja, we are still the best!

Green Ninja: We sure are!

Ella: I hope you guys will stay a while.

Narrators: The ninja agreed to stay longer. They saw there was still much work to be done in this little town. And they all lived....

Everyone: Happily ever after!
