SCENE 1

NARRATOR

Our story begins on the movie set of RummelWood. RummelWood was a booming town with lots of stars.

ENTER CECILY WITH HER CAT AND PLEADING AS SHE FOLLOWS ELEANOR DRESSED AS A DIRECTOR

Movie stars were everywhere which caused some problems for starving actors to get jobs.

CYNTHIA

Can't you please just cast me in a role? ANYTHING?! I will even be an extra!

AGENT

Darling, I just can't. My hands are tied you know with all the budget cuts and let's be honest, actresses are a dime a dozen.

CYNTHIA

But how am I supposed to feed my cat?

AGENT

I don't know sweet heart. Tell it to the paparazzi.

AGENT EXITS

CYNTHIA

This stinks! Theo, don't worry. We will find some way to make money. Don't you worry kitty kitty. ***(Kitty goes other way)*** Kitty?

CYNTHIA EXITS

SCENE 2

NARRATOR

In another dimension of time created by a ripple effect, there was a lonely Dragon sitting by a stream. This dragon was powerful but she had been banished from the village she was sworn to protect.

WHITE FANG

This place is so beautiful... but it is sooooo boring. I have no one! If only I had not taken the powers of the Viking maidens. They were just so mean to me that I thought they should be punished. So I took their powers and placed them in an amulet I tossed in the sea. Now I have no one to roast marshmallows for smores with, no one to take walks with, no one to play in the water with, and no one to love. I miss the old days. If only I had someone to be my friend and listen to my problems.

WHITE FANG the DRAGON ROARS then EXITS....

SCENE 3

VIKINGS

Scream off stage then enter

HEATHER

There goes the dragon again.

NARRATOR

The maidens were terrified of the Dragon's roars for it usually meant an attack. The dragon used to be part of a clan of Vikings. Dragon led the Vikings aerially. Vikings controlled the water, wind, and seas until Dragon could no longer control her fire because she had allergies. Everyone lost their powers trying to stop her. This caused the the seas to rescind, the winds to stop, and the earth to shrivel away since the maiden's powers had been stripped away. They were beautiful Viking maidens but now they were stranded on an island in the midst of Iceland with a Dragon just over yonder.

HEATHER

I wish we had the power to sail away with the wind.

ROSEY

I just want to find a new land.

LILLY

I just wish we had some water (thirsty).

ROSEY

How did we get to this point? We used to be powerful maidens.

LILLY

USED to be.. until that Dragon took our powers.

HEATHER

She did not mean too. She just could not control her fire and we had to stop her and gave her all our powerful energy.

LILLY

Yeah... And then she put the energy into an amulet and tossed it in the sea.

HEATHER

Would you rather she roasted us like marshmallows?

ROSEY

If only she could have controlled her fire we would not all be in this position, her banished and us... land locked.

LILLY

If only we could find that amulet maybe we could fix this problem and the dragon would be free.

ALL

Free, that sounds nice!

EXIT

SCENE 4

NARRATOR

Meanwhile, back in Rummelwood, things were slow on the movie set Cynthia was an extra in. Cynthia was pacing the beach and kicking sea shells and stones as she waited patiently for her role. She came across a very unique rock. The rock was attached to a lanyard.

CYNTHIA

I went from being a movie star to being an extra on the set with a giant squid. How is this POSSIBLE? I was up for an Academy Award.

She sees a rock and picks it up

What's this? It is so pretty. It has a string almost like it is supposed to be a necklace. Hmm.

She slips it on when all of a sudden she is saying "whoa" and being transported off stage.

SCENE 5

NARRATOR

Upon placing the amulet on her neck, Cynthia was slowly transported to another dimension in time. She felt very dizzy and when she finally realized she had stopped looked around in observation.

CYNTHIA

I don't think I am in Rummel Wood any more. What is this place? It is so pretty but I have a strange feeling about this...

NARRATOR

Just then she heard a ruckus from nearby in the woods. When she looked up her eyes caught sight of a vicious dragon gazing upon her. The dragon said...

WHITE FANG

Who are you and why are you in my cave?

CYNTHIA

I... Ummmm.... I am sorry I did not mean to...

WHITE FANG

You should not be here. No Man or woman is allowed within the realm of my cave. I have been banished and therefore humans have been banished from my sight.

CYNTHIA

I am so sorry... I....

Dragon begins to confront her in a threatening way.

I will just be going now.

WHITE FANG

YOU will do NO such thing. I am your master...

CYNTHIA

Screams in fear and runs offstage the DRAGON after her.

EXIT

SCENE 6

ENTER VIKINGS

NARRATOR

In the Village over the Viking Maidens were resting when they were awoken by terrifying screams.

LILLY

What was that?

HEATHER

Shhh... It must be the dragon.

ROSEY

We are going to have to do something about that dragon.

LILLY

But she used to be so nice... WE just weren't nice to her.

HEATHER

Yeah... Until she stole our powers.

ROSEY

And left us stranded here with nothing to do.

They hear a scream off stage again.

LILLY

It sounds like another young Maiden. We should go investigate.

HEATHER

That's it... We have to go check it out.

ROSEY

Remember last time someone checked it out?

LILLY

They got toasted like a marshmallow.

HEATHER

Yes but they did not have these.

She pulls out weapons- axes, swords, etc.

We have to go... Come on!

EXIT

SCENE 7

ENTER CECILY AND DRAGON. DRAGON IS TRYING TO ADVANCE ON HER.

NARRATOR

Meanwhile, back in the Dragon's cave, Cecily was trying to fend off the dragon.

CYNTHIA

Wait. Your breath is really bad. Do you want some breath spray?

She pulls breathe spray from her pocket and gives it to DRagon

Here you go!

WHITE FANG

What is this?

DRAGON EXAMINES IT LIKE NEVER SEEN BEFORE

CYNTHIA

It is breath spray. You have never seen breath spray before? You spray it in your mouth to make your breath fresh. And believe me.. you need it. Movie stars use it in the movies for when they are close. Like this...

Cynthia mimes spraying her mouth. Dragon follows and does the same with breath spray. She becomes upset because dragon does NOT like the taste- ROARS

WHITE FANG

You tricked me.

ANGRILY

CYNTHIA

I am sorry I really did not mean to...

DRAGON sees the amulet on CYNTHIA's neck and becomes curious

WHITE FANG

Wait... where did you find that?

CYNTHIA

This?... Oh I found this on the movie set on the beach. It was in a pile of shells. Do you like it?

WHITE FANG

Like it.... I made it.

CYNTHIA

You did not...

WHITE FANG

Yes, I did. When the maidens banished me for burning everything because I could not control my hay fever. I placed their powers into the amulet when they tried to stop me and tossed it into the sea.

CYNTHIA

I must have found it when washed up on the shore.

Pause... they are quite for a moment.

WHITE FANG

So, you are a movie star? What is that?

CYNTHIA

Well, I would not say “star”. But I am in movies. Movies are like moving pictures... ***(does not commute)*** Paintings.. Moving paintings.

WHITE FANG

Ohhh wow. I always wanted to be in paintings. We should talk... Do you like marshmallows and cocoa?

CYNTHIA

As a matter of fact, yes I do. I am Cynthia. Cynthia Rosewood.

WHITE FANG

I am White Fang the Dragon. Can I make you a cup of the best Dragon Cocoa you ever had?

CYNTHIA

Well first of all, I have never had dragon cocoa but yes. I would like that.

WHITE FANG

Come with me...

THEY GO TO LEAVE OFF STAGE AND ARE STOPPED BY MAIDENS

NARRATOR

Just as they were heading into the Dragon’ lair, the maiden’s appeared bearing their weapons.

HEATHER

Stop right there!

ROSEY

Yeah you big bad dragon.

LILLY

Let her go! Hello whoever you are.

ROSEY

Yeah... Where did you get those weird clothes?

HEATHER

Talk about your strange fashion sense.

LILLY

I know right?

WHITE FANG

You stop.

LILLY

Smelling dragons' breath

Wait... What happened?

WHITE FANG

What do you mean?

LILLY

Your breath...

ROSEY

Smells too

Yeah... Your right... it smells good.

CYNTHIA

You like it...? It is breath spray.

HEATHER

Breath what?

CYNTHIA

It is breath spray... sort of like brushing your teeth but it is really just to freshen you up.

They look at her confused

You do brush your teeth, right?

ROSEY

Who is this strange person?

CYNTHIA

I am Cynthia. Cynthia Rosewood. I am an actress but I was transported here by I guess this... ***(holds amulet for them to see)***

VIKINGS

The Amulet!

HEATHER

Wait... How have you not been eaten by the Dragon yet?

CYNTHIA

We just became friends. We started talking and it turns out White Fang the Dragon here has always wanted to be in a painting so we talked about me being in movies and well... the rest is history.

LILLY

Can I talk to you privately?

CYNTHIA

Sure...

They go downstage

LILLY

The dragon took our powers. They are held in that Amulet you wear and we cannot go anywhere on voyage until we get them back. Can you help us and give us back the amulet?

CYNTHIA

She mentioned that. She also said she wants you all to be nicer to her. ***(turns to dragon)*** Hey Dragon, will you give these Viking maidens their powers back if they let you go do your own thing?

WHITE FANG

I don't know...

VIKINGS

PLEASE!!!!

HEATHER

We will be nice and you can even take that vacation you have been wanting with your cousin Puff.

WHITE FANG

Puff is sort of hot headed. I'd rather be in pictures.

To CYNTHIA

CYNTHIA

You know what... I am sure we can work something out with my agent. You would steal the show! Just one thing... How are we going to get back to Rummel Wood?

WHITE FANG

I can always fly you in the Dragon Friendly Skies.

CYNTHIA

Okay...

LILLY

Just one thing... Can we have our powers before you leave?

WHITE FANG

Yes. I can break the spell.

She breaks the spell with an action- actors choice

VIKINGS

Yay!!!!

LILLY

Now we will have water!

ROSEY

And find new lands!

HEATHER

And we can have mighty winds to sail

NARRATOR

And with that Cynthia and White Fang flew off in the sky back to Rummel Wood where the Dragon became a star in every major action film and the Viking Maidens set sail and discovered, well the world. And they all...

ALL

No Wait... There's more narrator...

CYTHIA

Once we arrived in Rummel Wood we were able to make hit movies like END DRAGON

WHITE FANG

And Top Dragon...

LILLY

Jurassic Dragon...

ROSEY

And my personal favorite Thor Love and Dragons...

WHITE FANG

Our movies were huge hits.

CYNTHIA

In fact, our movies were so successful...

Phone rings

AGENT

CYNTHIA

Excuse me do I know you?

AGENT

It is me... Margaret. Your agent. We have a movies we want to use you in and of course your dragon.

CYNTHIA

I am sorry Margaret but we are all booked up. Beside action movies are a dime a dozen... Goodbye.

Agent is trying to keep her on the phone but she hangs up on her

Man that felt so good!

NARRATOR

And so, our Dragon Tale carries on with our stars and they all...

ALL

Lived Happily Ever After!
